This award goes to a child of any age who shows a genuine love for dance. The recipient does not have to be the most talented or technical dancer. It is to be awarded to a child who lives and breathes to dance, and who has a genuine passion for it. "To celebrate a child who cannot stand still when there is music playing, and loves to dance." This is exactly who Charlotte was – so young she had barely any training yet she was such an amazing little personality. Dance was her own genuine expression of love*
